

COVID 19 SALON SAFETY GUIDELINES

Orange Salon

Please read our new guidelines for health and safety.

Upon arrival, please stay in your vehicle or wait outside.

Text us your name and appointment time at **1-508-471-3452** to alert us of your arrival. If you are unable to text, please call us at **1-508-865-5599**. We will let you know when to come in.

You will be asked if you or anyone in your circle of contact has been sick in the past 14 days or has a pending Covid test-Please consider this before booking an appointment and if there is a "yes" answer to either question, we will not be able to service you. By entering the salon, you attest that these things are true to the best of your knowledge.

Our waiting area is temporarily closed as required by state guidelines. Guests must come alone and there will be no seating in the salon for anyone waiting.

We will have no magazines or regular beverage service as usual. Please bring your own beverage if needed and in an emergency, we will have bottled water. No eating is allowed in the salon.

Masks must be worn, we will provide you with a disposable mask however, please wear your own upon entry. If a guest has a medical condition where a mask cannot be worn, at this time, we cannot service you.

We will be regularly sanitizing the entire salon and will sanitize implements and use fresh, clean smocks and capes for each guest and stylist with each appointment. We have also created appropriate social distancing between service areas.

There will be a \$5 safety fee per visit as long as these protocols are in place. This fee may be waived in phase 2 for minor services such as a brow wax.

You must tell us in advance if you have colored your own hair. This may require different booking times to accommodate you. No judgement!

We hope to provide you with as normal an experience as possible while remaining as safe as possible. We appreciate your patience as we adapt to this new service model.
